

Hello everybody

Publicado por Lewis Hamilton - 16 Ago 2011 17:32

Hi, I hope this is the right place to ask for joining your season, I would like to drive mclaren, if it is not free anymore, any car is good 🏎️
Thank you for invitation to this league, i have been driving rfactor for 6 months now, also in RFT league, in '79, '71, DTM...

Gladly expecting your answer,

LH
