

replay race

Publicado por Draxler Waldi - 26 Sep 2011 13:38

hi friends hi racers.

is there any possibility to review the race. it would be interessting for me, cause i overtook luca in the first lap, and i´m not sure if i acted right.

so if there is a possibility, please let me know

sorry that i cannot find these kind of things on my own, but i still have troubles to translate everything written on the server.

waldi
