

virus warning

Publicado por Draxler Waldi - 10 Oct 2011 10:41

i have a virus on my pc.

as i've been searching for what happened i found the following:

Hola amigos ,acabo de instalar el mod total 2011 y

escribo para daros las gracias y felicitaros por

el gran trabajo que habeis hecho .

Impresionante en todo , manejo , audio , video ... Un 12 sobre 10

un saludo y gracias

p.d. hay secciones del foro a las que no puedo acceder

¿como hago para poder tener permisos?

¿hay sitio en la liga 2011 para uno mas?

i cannot translate that. can anyone help meand tell me what that is?

thx racers

This text appear one message of forum. Says: congrats for Mod Total F1 2011, bla bla...

Translation of google.

Hi, I just installed the full mod 2011 and

I write to thank you and congratulate you on

the great work you have done.

Impressive in all, management, audio, video ... Some 12 out of 10

a greeting and thanks

P. S. There are sections of the forum to which I can not access

How do I get to have permits?

Is there room in the 2011 League for one more?

The virus show this message?
