

## Realsim1 server locked?

Publicado por Milo Brunvoll - 02 Dic 2012 03:38

---

Hi, do anyone know why realsim1 is locked? is there any way to get a password or something to be able to drive in realsim1 now? 🤔  
thanks, Milo

Hi Milo. We have finished the f1 season and now we are trying diferent mods like kartin, drm, bus, etc.

You can see the links and info in forosorganizacion

See you.

Sorry Milo, I forget clear pass after last official race. The server is free again.
